

# Babylon

## The Flower Kings

So rest your head-  
You're all mine.  
And I stay awake,  
I won't go home.  
Let's go on a holiday.  
To burn this town  
She's my Babylon.

So rest your heart  
You're all mine.  
Because if you walk away,  
I fall on down.  
And bleed, red as blood-  
Red as when.  
She's my Babylon.

No I don't want to  
See you go.  
No I don't want to  
Be alone.

So rest your hand  
You're all mine.  
I can't stay awake,  
My eyes fall down.  
Said I dreamed a dream  
That you walk ÅfÅç??round  
She's my Babylon.

No I don't want to  
See you go.  
No I don't want to  
Be alone  
No I don't want to  
Be alone.  
No I don't want to  
Be alone.
