

Come & Knock On My Door

702

I anticipate
You told me that you wouldn't be late
Boy, here I wait, got the candles lit
So boy, don't you hesitate
Prepare to be amazed
I'll bend to every move that you make
You can have it your way
I got the wine on ice
'Cause I'm sure we'll be up late
You got me buggin', buggin'
For you, I'm always open
More kisses an' more huggin'
Lovin' everything you do to me
No matter what the time is
You are always invited on me
I'll never fight it
Don't take me wrong
Just wanna turn you on
Come & knock on my door
I've been waitin' for you
'Cause your love is on time
I can't get enough of you
Can't be fakin' what's real
I'll just tell you what's true
That I love it when I turn you on
Come & knock on my door
I've been waitin' for you
'Cause your love is on time
Can't get enough of you
Can't be fakin' what's real
I'll just tell you what's true
That I love it when I turn you on
Come as fast as you can
I want everything to go as planned
'Cause tonight you're gonna win
Ready to give in
'Cause you're not that average man
It's been a long time since
I let my guards down an' let you in

It was you that I missed
Let's cut right to the chase
An' just handle this
You got me buggin', buggin'
For you, I'm always open
More kisses an' more huggin'
Lovin' everything you do to me

No matter what the time is
You are always invited on me
I'll never fight it
Don't take me wrong
Just wanna turn you on
Come & knock on my door
I've been waitin' for you
'Cause your love is on time
Can't get enough of you
Can't be fakin' what's real
I'll just tell you what's true
That I love it when I turn you on
Come & knock on my door
I've been waitin' for you
Your love is on time
Can't get enough of you
Can't be fakin' what's real
I'll just tell you what's true
That I love it when I turn you on
I like it, I like it
I really, really like it
I'm fallin', adore it
So come knock on my door
I like it, I like it
I really, really like it
I'm fallin', adore it
So come knock on my door
Come & knock on my door
I've been waitin' for you
'Cause your love is on time
Can't get enough of you
Can't be fakin' what's real
I'll just tell you what's true
That I love it when I turn you on
Come & knock on my door
I've been waitin' for you
'Cause your love is on time

Can't get enough of you
Can't be fakin' what's real
I'll just tell you what's true
That I love it when I turn you on
