

Run Away

Nivea

I was gonna take my life, where I wanted to go
Which was with your life, no you'll ever know
Now I can't do that, no with the Heaven found
'Cause when I was ready, you were nowhere around
Said I wanna be with you, why do you have to go and run away
Is it 'cause you were not true and you never had plans to stay
Or is it 'cause you had a girl on the other side of town
Made plans to be with you, why the hell are you not around
Said I was special, special to the world
And made you special 'cause I was your girl
Now I can't do that, no with the heaven found
I thought I was special, where are you now
Said I wanna be with you, why do you have to go and run away
Is it 'cause you were not true and you never had plans to stay
Or is it 'cause you had a girl on the other side of town
Made plans to be with you, why the hell are you not around
Remember that go, you said I was yours
And that I was ready, your heart had open door
So I gave up the biggest smile for your voices sound
But I can't smile now 'cause you're not around
Said I wanna be with you, why do you have to go and run away
Is it 'cause you were not true and you never had plans to stay
Or is it 'cause you had a girl on the other side of town
Made plans to be with you, why the hell are you not around
Said I wanna be with you, why do you have to go and run away
Is it 'cause you were not true and you never had plans to stay
Or is it 'cause you had a girl on the other side of town
Made plans to be with you, why the hell are you not around
