

60 Revolutions (Demo)

Gogol Bordello

60 revolutions per minute
This is my regular speed
So how do you want me to live with it?
How do you want me to live with it?
Without ringing all alarms!
Without overthrowing tzars!
Without emptying the bars!
Without screwing with your charts!60 revelations per minute
This is my regular meed
So how do you want me to live with it?
How do you want me to live with it?
Without ringing ringing ringing all alarms!
Without overthrowing tzars!
Without emptying the bars!
Without screwing with your charts!I'm gathering new generation
That's gonna stand up to it
To this karaoke, karaoke dictatorship
Where posers and models with guitars
Boogie to the shit for beats
I make a better rock revolution
Alone with my dickWithout ringing ringing ringing all alarms!
Without overthrowing tzars!
Without emptying the bars!
Without screwing with your charts!Si lo mueve cÃ³mo lo bate
Que rico el chocolate
No esperarÃ¡s que por alguien me mate!
Si lo mueve cÃ³mo lo bate
Que rico el chocolate
No esperarÃ¡s que por alguien me mate!Without ringing all alarms!
Without overthrowing tzars!
Without emptying the bars!
Without screwing with your charts!60 por minuto es mi reputaciÃ³n
Y no te estoy hablando yo de revoluciÃ³n
Hace mucho tiempo que ya no te decÃ­a
Basta de injusticia, muerte y policÃ­a!Pese a lo que digas ya estÃ¡ todo arreglado
Digas lo que digas ya te mandan deportado
El que tiene impone y sobre la ley dispone
Mientras que el pobre es pobre y pobre y pobre
Y otro se la come, comePobre es pobre y pobre y pobre

Y otro se la come, come
Pobre es pobre y pobre y pobre
Y otro se la come, come
