

# Yankee Rose (as made famous by David Lee Roth)

## Enuff Z'Nuff

Are you ready for the new sensation?  
Well, here's the shot heard 'round the world  
All you back room boys salute when her flag unfurlsWell, guess who's back in circulation?  
Now, I don't know what you may have heard  
But what I need right now's the original good time girlShe's a vision from coast to coast  
Sea to shining sea  
Hey, sister, you're the perfect host  
Show me your bright lights in your city lights, all right  
I'm talkin' 'bout the Yankee Rose  
Bright lights in your city lights, all right  
I'm talkin' 'bout it  
When she walks, watch, the sparks will fly  
Fire crackin' on the fourth of July  
No sad songs tonight, something's in the airReal state of independents  
So pretty when her rockets glare  
Still provin' any night that her flag is still thereShe's a vision from coast to coast  
Sea to shining sea  
Hey, sister, you're the perfect hostShow me your bright lights in your city lights, all right  
I'm talkin' 'bout the Yankee Rose  
Bright lights in your city lights, all right  
I'm in love with the Yankee RoseAh, she's beautiful, alright  
Mmm, nothin' like her in the whole world  
Yeah, she's right on time, I'm on the case  
Pick up the phone, no time to waste  
She got the beat and here's a little bit comin' your way  
Bright lights, city lights  
Bright lights, city lights  
Bright lights, city lights  
Bright lights, city lights
