

# Ice Cold Angel

**Danko Jones**

If you're in the mood baby  
We can get it on later on  
Like two peas in a pod I would love you  
Mother if you like to be alone that's alright  
But baby, I got a proposition 'bout you If you're in a perspiration  
I can give you stimulation  
I can give you motivation ohh  
(? Summertime anytime at night?)  
But in my bedroom, I confess, I'm freezing cold  
Oh yeah  
Uh, uh, uh, uh, ice cold angel
