Take Me Dancing

The Maine

Oh a good man said
If you're feeling dead
You gotta try to find a way to be alive
This is not a game
That you have to play
Don't need a reason to breathe
Just like you die
Give me thunder
Give me lightening
And I will give you every part of me
Take me dancing
Get me fucked up
Play that old guitar and we will sing
Oh my old man said
You must lie in your bed
The way you make it
No one can make it like you do

Oh you're not alone
You still have a home
No matter what you do my son I'm still proud of you
Give me thunder
Give me lightening
And I will give you every part of me
Take me dancing
Get me fucked up
Play that old guitar and we will sing
Yeah we'll sing
Give me thunder
Give me lightening
And I will give you every part of me
Take me dancing
Get me fucked up
Play that old guitar and we will sing
Yeah we'll sing
Yeah we'll sing
