

# I Didn't Mean to Make You Mine

Nina

Don't give me a second chance  
It'll be the same  
You will be the consequence  
And I will have the pain You are something else I have  
I have to survive  
That is why I say  
With tears in my eyes I wish I never opened up my heart  
I didn't mean to love you baby  
I wish I never let it get this far  
I didn't mean to love you baby If I could have a single wish  
I'd turn back time  
I didn't mean to make you  
I didn't mean to make you mine Don't look at me like I'm mad  
I thought you would know  
I was getting way too sad It was gonna show  
There was no way I could hide  
I could hide the truth  
So I took the risk and fell for you I wish I never opened up my heart  
I didn't mean to love you baby  
I wish I never let it get this far  
I didn't mean to love you baby If I could have a single wish  
I'd turn back time  
I didn't mean to make you  
I didn't mean to make you mine I didn't mean to make you hold me  
I didn't mean to get so lonely  
I didn't mean to say all this to you  
I didn't mean to make you need me  
I didn't mean to love you like I do  
Look at what we've put us through I wish I never opened up my heart  
I didn't mean to love you baby  
I wish I never let it get this far  
I didn't mean to love you baby If I could have a single wish  
I'd turn back time  
I didn't mean to make you  
I didn't mean to make you  
I didn't mean to make you mine
