

# My 1st Song

Jay-Z

Y'all wanna know why he don't stop  
Y'all wanna know why he don't flop  
Let me tell you people why  
Came from the bottom of the block I  
When I was born, it was sworn, I was never gon' be shit  
Had to pull the opposite out this bitch  
Had to get my ride on  
Eyes on the prize, Shawn knew I had to  
Had to had to get these chips  
Had to make moves like Olajuwon  
Started out selling dimes and nicks  
Graduated to a brick  
No exaggeration, my infatuation with the strip  
Legendary like a schoolboy  
Crushin' merely nearly every every chick  
Heavy shit - that's how schoolboy got whipped  
And got left on some, Just Me, Myself and I  
On some Trugoy shit  
Had to go to a place of  
To a place of no return  
Had to play with fire and get burned  
Only way the boy ever gon' learn  
Had to lay way in the cut, til I finally got my turn  
Now I'm on top in the spot that I earned It's my life  
It's my pain and my struggle  
The song that I sing to you it's my everything  
Treat my first like my last, and my last like my first  
And my thirst is the same as when I came  
It's my joy and my tears and the laughter it brings to me  
It's my everything Like I never rode in a limo  
Like I just dropped flows to a demo  
Like it's ninety-two again and  
And I got O's in the rental  
Back in the stu' again  
No prob' living was a whole lot simpler  
When you think back, you thought that  
You would never make it this far, then you  
Take advantage of the luck you handed  
Or the talent, you been given

Ain't no, half stepping, ain't no, no slipping  
Ain't no different from a block that's hitting  
Gotta get it while the getting's good  
Gotta strike while the iron's hot, before you stop  
Then you gotta bid it, good riddance  
Goodbye, this is my second major breakup  
My first was, with a pager  
With a hooptie, a cookpot, and the 'caine  
This one's with the stu, with the stage, with the fortune  
Maybe not the fortune, but certainly the fameIt's my life  
It's my pain and my struggle  
The song that I sing to you it's my everything  
Treat my first like my last, and my last like my first  
And my thirst is the same as when I came  
It's my joy and my tears and the laughter it brings to me  
It's my everything
