

Boring

The Pierces

Saturday night, we look alright
We're going out boring
Paris, France London town
NYC, boring Nothing thrills us anymore
No one kills us anymore
Life is such a chore
When it's boring Sexy boy, girl on girl
Menage a trois, boring
Marijuana, cocaine
Heroin, boring Nothing thrills us anymore
No one kills us anymore
Life is such a chore
When it's boring Galliano, Donatella
Dolce & Gabbana, boring
Caviar, Escargot
Dom Perignon, boring Love of my life bear your child
Everything I've ever wanted, boring Nothing thrills us anymore
No one kills us anymore
Life is such a chore
When it's boring
(When it's boring) Nothing thrills us anymore
No one kills us anymore
Life is such a chore
When it's boring
