

# Consequence

## Pandemic

Blink and you miss a beat  
Keep one of your eyes open at all times  
    Think that you're on the brink  
The shit hasn't even begun to hit the fan  
    Consequence, you'll see, will be  
Stranger than a gang of drunken mimes  
    Situation has a stink  
    Better clear the air before your  
        Son becomes a man  
    Before your son becomes a man  
        Yeah, yea  
Blink, every thing's been augmented  
    You've been left so far behind  
        I think, for sure, next time  
    You should wear a pair of eyes  
        In the back of your head  
        Consequence, you've seen  
Has been stranger than sci-fi of any kind  
    Situation baffles me  
    I guess it's true, you too are one of  
        The walking dead

You better think fast  
    Think fast  
    'Cause you never know  
What's coming around the bend  
    You better not blink  
        Oh blink  
The consequence is a bigger word than you think  
    It's bigger than you or me  
        You or me  
        You or me  
    Bigger than you or me  
    You better think fast  
        Think fast  
    'Cause you never know  
What's coming around the bend  
    You better not blink  
        Oh blink

The consequence is a bigger word than you think  
It's bigger than you or me  
You or me  
You or me
