Light My Fire

Julie London

You know that it would be untrue
You know that I would be a liar
If I was to say to you
Girl, we couldn't get much higherCome on baby light my fire
Come on baby light my fire
Try to set the night on, fireThe time to hesitate is through
No time to wallow in the mire
Try now we can only lose
And our love become a funeral pyreCome on baby light my fire
Come on baby light my fire
Try to set the night on, fire yeahThe time to hesitate is through
No time to wallow in the mire
Try now we can only lose
And our love become a funeral pyreCome on baby light my fire
Come on baby light my fire
Try to set the night on, fire yeahYou know that it would be untrue
You know that I would be a liar
If I was to say to you
Girl, we couldn't get much higherCome on baby light my fire
Come on baby light my fire
Try to set the night on fire
Try to set the night on fire
Try to set the night on fire
Try to set the night on fire
