

Happy Christmas (War Is Over)

The Alarm

So this is Christmas and what have you done
Another year over a new one just begun
So this is Christmas I hope you have fun
The near and the dear ones, the old and the young
And so this is Christmas for weak and for strong
For rich and for poor ones the road is so long
And so Happy Christmas and a Happy New Year
Let's hope it's a good one without any fear
War is over if you want it
War is over now
So this is Christmas for black and for white
For yellow and red ones let's all stop the fight
So Happy Christmas and what have you done
Another year over a new one just begun
And so Happy Christmas and a Happy New Year
Let's hope it's a good one without any fear
War is over if you want it
War is over now
War is over if you want it
War is over now
War is over if you want it
War is over now
War is over if you want it
War is over now
