

# Thorn

## My Bloody Valentine

Walk all over me  
Even though you can't decide  
Look out, (jump back)  
You'll be on your own Hillside, slip and slide  
Feel the pain, it's no surprise  
Look out, look out  
Thorn will be your love I felt your hair across my skin  
I didn't know where to begin  
A shallow promise in my ear  
No thoughts, no dreams, no wishes, and no fear The rose is dead, your face (eerie)  
No memories of things that once did seem  
(To be to me) important too  
You give me flowers when it's thorns I give to you
