All About Tonight (Performance Track)

Blake Shelton

Don't bother telling me what I got coming in the morning
I already know
I got some feelgood pills and a red Gatorade by my bed
...Ready to go
I'm gonna do my best to dance with every girl in this bar
Before they shut it down
Then I'll pay my tab, climb in a cabHeadin' to a spot downtown
It's all about tonight
Good times, and the music and laughing, and grooving to the band
...
Everybody's getting right
No worries, we're rocking all kinds of concoctions in our hands
...
Yeah, tomorrow can wait 'til tomorrow
It's all about tonight
...Hey pretty thing
I've been looking at you since the moment that you walked in
...
I got some wild-ass buddies that love spending moneyAnd I see you brought a couple of friends
Just tell me your name
I don't need your number or a date next Saturday
...
Baby, let's act like fools, break a few rules
Party the night awayIt's all about tonight
Good times, and the music and laughing, and grooving to the band
Everybody's getting right
No worries, we're rocking all kinds of concoctions in our hands
...
Yeah, tomorrow can wait 'til tomorrow
It's all about tonight
Haha, slide...
It's all about tonight
Good times, and the music and laughing, and grooving to the band
Everybody's getting right
No worries, we're rocking all kinds of concoctions in our hands
...
Yeah, tomorrow can wait 'til tomorrow
I said tomorrow can wait 'til tomorrow
It's all about tonight

Yeah, it's all about tonight
Come on, it's all about tonight
We're gonna get our swerve on, a buzz on
...
It's all about tonight
Come on, baby, I wouldn't worry about that
...
It's all about tonight
