

Angel of the Morning

[Nina Simone](#)

There'll be no strings to bind your hands
Not if my love can't bind your heart
And there's no need to take a stand
For it was I who chose to start
There is no need to take me home
I'm old enough to face the dawn Just call me angel of the morning
Just touch my cheek before you leave me baby
Just call me angel of the morning
Slowly slowly turn away from me Well maybe the sun's light will be dim
But it doesn't matter anyhow
If morning echo says we've sinned
Then it was what I wanted now
And if we're victims of the night
I promise you I won't be blinded by the light Just call me angel
Touch my cheek before you leave me baby
Just call me angel of the morning morning
Just touch my cheek before you leave me baby
