

Ditty Dum Ditty Doo

Nate Dogg

Nate Dizzle, Fred Rizzle
Put the pieces to the pizzle
All the ladies who like sex like I do
Come up to my room, I'm gon' give it to you
All my homies who make chips like I do
This one's for you, ditty dum ditty doo
Yeah, got the freak on it, freak
Freak on it, yeah, I speak on it
Last week on it, Snoop DO-double-G
I'm on the mic, doggone it, you want it
Here we go again, 'bout to flow again
Take you out, 'cuz I'm bout to bust a hoe again
Got the flow again, throw it in
Mix it, cook it, gumbo
Jumbo
It just don't quit, get them chips
Mack that bitch, keep it on the under
Make 'em wonder, do it wit no blunder
Snoop DO-double-G gets the job done
No matter what they say about me they doubt me
They can't fuck with the DO-double, yes, indeed that's I
The fizzi, I do it till the day I dizzie
All the ladies who like sex like I do
Come up to my room, I'm gon' give it to you
All my homies who make chips like I do
This one's for you, ditty dum ditty doo
Dum ditty dum ditty
We keep this poppin' still hit droppin'
Comin' strong, just as long as the beat knockin'
Lookin' at the clock won't do no good now
Everybody party 'cuz we out of the hood now
Fred Wreck hit Goldie on the two way
Tell me what's crackin' and see what Snoop say
The coupe lay boomin' in the parkin' lot
And I'm pullin' dime pieces off of the top
Eshine, Evine, Candy, Pam
Maisha, Tisha, Sandra, Ann
So last call for alcohol, close the door
We dogghouse deep and we rollin' hard

All through the night better hit it all day
Every girl in the car gonna get it same way
You say, you wanna turn me on well, you did it let's play
You wanna share it wit a friend just admit it, three way
Ooh, three way on the freeway
The G-way, fuck what he say
All the ladies who like sex like I do
Come up to my room, I'm gon' give it to you
All my homies who make chips like I do
This one's for you, ditty dum ditty doo
Do I like it? Yes. Do I mean it? No
Let me hook this double thing up real quick, I luv it
Pussy always make my day flow smooth
If I don't get me none I have a fucked up attitude
Back off a jack off we far from playin' games
We some pimps punk bitch, no need to explain
Now look at little mama, right there
She strain, suck dick and she don't even care
Man, I'm all about breakin' these hoes
Shakin' these hoes, make the trick take off her clothes
Shoot it in her nose, money fingling, jingling toes
Me and peep game I got pros
Cunt love cock and cock love cunt
I'll be feeling like it's sex in my blunt
Hey, Casey, where Tracy at?
She said, "Daddy, she in the front washin' up the 'lac"
Jumped in my shit hit the switch, start smashin'
Headed to another spot to fuck some more asses
All my niggas like doin' the damn thing
Happy beat it up like my nigga Pootietang
Hell yeah, I love sex
Because after I'm done I'm like this
With my dick on hard
Church to them hoes that be fuckin' superstars
All the ladies who like sex like I do
Come up to my room, I'm gon' give it to you
All my homies who make chips like I do
This one's for you, ditty dum ditty doo
Ditty dum ditty dum ditty
All the ladies who like sex like I do
Come up to my room, I'm gon' give it to you
All my homies who make chips like I do
This one's for you, ditty dum ditty doo
Dum ditty dum di dum
Ditty, ditty

Dum ditty dum da dum
Ditty, ditty
