Cascade

Siouxsie and the Banshees

Oh, the air was shining
Shining like a wedding ring
Barbed like sex, I felt 10,000 volts
My chest was full of eels
Pushing through my usual skinI opened up new wounds
Pouting, shoutingOh love-like liquid falling
Falling in cascades
Oh love-lorn victims
Laughing in cascadesThe sun was rich
Rich with a song of sin
My breath melted my words
Into strange alphabetsTormenting my tongue
Oh pouting, shoutingOh love-like liquid falling
Falling in cascades
Oh love-lorn victims
Laughing in cascadesThe heartbeats were echoing
Echoing the revolver
Emptying into my mouth
I pulled a face from my pocket
And smiled a leper's grinI felt somebody close
Oh, pouting, shoutingOh love-like liquid falling
Falling in cascades
Oh love-lorn victims
Laughing in cascadesOh love-like liquid falling
Falling in cascades
Oh love-lorn victims
Laughing in cascadesOh love-like liquid falling
Falling in cascades
Oh love-lorn victims
Laughing in cascadesOh love-like liquid falling
Falling, falling in cascades
Oh love-lorn victims
Laughing, laughing in cascadesIn cascades
In cascades
In cascades
