

Heart Attack

Olivia Newton-John

My mouth is dry
My legs are weak
I'm thinkin' this 'cause I can't speak
I'm lookin at you lookin' at me
You must think that I'm just crazy If you only knew what you're putting me through
There's that heart attack
You're givin' me a heart attack
A heart attack, you're givin' me a heart attack
I must have died and gone to heaven
What a way to go I can't catch my breath
It must be a dream
But you're the cutest thing I've ever seen
I'm way past the point of recovery
You're gonna be the death of me If you only knew what you're putting me through
There's that heart attack
You're givin' me a heart attack
A heart attack, you're givin' me a heart attack
I must have died and gone to heaven
What a way to go A heart attack, you're giving me a heart attack
A heart attack, you're giving me a heart attack
A heart attack, you're giving me a heart attack
A heart attack, you're giving me a heart attack
A heart attack, you're giving me a heart attack
