Missing You

Jimmy LaFave

Everytime I think of you, I always catch my breath
And I'm still standing here, and you're miles away
And I'm wonderin' why you left
And there's a storm that's raging through my frozen heart tonightI hear your name in certain circles, and it always makes me smile
I spend my time thinkin' about you, and it's almost driving me wild
And there's a heart that's breaking down this long distance line tonightI ain't missing you at all since you've been gone away
I ain't missing you, no matter what I might say
There's a message in the wire, and I'm sending you this signal tonight
You don't know how desperate I've become
And it looks like I'm losing this fight
In your world I have no meaning, though I'm trying hard to understand
And it's my heart that's breaking down this long distance line tonightI ain't missing you at all since you've been gone away
I ain't missing you, no matter what my friends sayAnd there's a message that I'm sending out, like a telegraph to your soul
And if I can't bridge this distance, stop this heartbreak overloadI ain't missing you, I ain't missing you, I can lie to myself
And there's a storm that's raging through my frozen heart tonight
Ain't missing you, I ain't missing you
I ain't missing you, I can lie to myself
Ain't missing you, I ain't missing you
I ain't missing you, I ain't missing you
I ain't missing you, I ain't missing you, ain't missing you, oh no
No matter what my friends might say, I ain't missing you...
