

# After the Music Fades

## Shaun Groves

Lord, take me from this place  
Into a world that has no time  
    No hurries, no worries  
    Gladly I leave them all behind  
Down here, I'm letting go and drawing nearI wanna sing, I wanna fly  
    I wanna see from your side of the sky  
    And I wanna love, I wanna stay  
        Wanna be close to you  
        Long after the music fades  
Long after the music fades, yeahLord, I come to give you  
    Much more than just a melody  
    Please take me and break me  
    Right now God, I don't want to leave  
Unchanged, I never wanna be the sameI wanna sing, I wanna fly  
    I wanna see from your side of the sky  
    And I wanna love, I wanna stay  
        Wanna be close to you  
        Long after'Cause Lord you are  
        Mighty, Awesome, Righteous  
Gracious, Knowing, in me overflowing  
    Father, Teacher, Master, Leader  
Jealous, loving, you areAnd you make me wanna sing, I wanna fly  
    I wanna see from your side of the sky  
    I wanna love, I wanna stay  
        Wanna be close to you  
        Long afterAnd I wanna sing, I wanna fly  
    I wanna see from your side of the sky  
    And I wanna love, I wanna stay  
        Wanna be close to you  
        Long afterWanna be close to you  
        Forever after  
        Wanna be close to you  
        Long after the music fades  
Long after the music fades, yeahYou are life, you are love  
    You are everything that I'm needin'  
        You are life, you are love  
You are everything that I'm needin'You are life  
    (I wanna be)  
        You are love

(I wanna be)  
You are everything that I'm needin'  
(I wanna be closer)
