

Barely Legal (The Strokes cover)

Azealia Banks

I didnt take no shortcuts
I spent the money that I saved up
Oh mama is runnin' out of luck
Feel like my sisters don't give a fuck I wanna steal your innocence
To me, my life, it dont make sense
Those strange manners is why I loved em so
Why wont you wear your new trench coat? I just want to turn you down
I just want to turn you around
Oh, you aint never had nothin I wanted
But I want it all
I just cant figure out.. nothing And all together it went well
We made pretend we were best friends
Then she said, "oh your a freak?"
They ordered me to make mistakes
Together again, like the beginning
It all works somehow in the end
Things we did, the things you hide
But for the record its between you and I didnt take no shortcuts
I spent the money that I saved up
Oh mama runnin' out of luck
Feel like my sisters don't give a fuck I wanna steal your innocence
To me, my life it dont make sense
Those strange manners is why I loved em so
Why wont you wear your new trench coat? I just want to misbehave
I just want to be your slave
Oh, you aint never had nothing I wanted
But I want it all,
I just cant figure out... nothing And all together it went well
We made pretend we were best friends
Then he said, "oh youre a freak?"
They ordered me to make mistakes
Together again, like the beginning
It all works somehow in the end
Things we did, the things you hide
For the record its between you and I.
