

Elvis

Sister Hazel

Oh I'll go away
Oh I'll go on my wordless way
Don't say anything
Say nothin', jus' leave me 'Cause I've been merely, an actor
In your painful play
But I feel too much to stay
Just cast me out You can have the pictures
You can have the jacked up car
And take the book on meditation
I'll just take home what I brought My, big painted velvet Elvis
Well it's my big painted velvet Elvis We'll take it away
We'll take it all away
Don't leave anything
Leave nothin', except me 'Cause I've been sadly misinformed
Well I thought it mattered
A little more than this
I wish I was a thousand miles away yea You can have the pictures
You can have the jacked up car
And take the book on meditation
I'll just take home what I brought My, big painted velvet Elvis
Well it's my big painted velvet Elvis
Oh yea Big painted velvet Elvis
Well I'm stumble what I make it through this
Oh yea Well I'm frozen here
Caged in silence
It's better that I
Regret these words
Than to stand aside
And watch your tragic
An' storyline unfold
Just let me go You can have the pictures
You can have the jacked up car
And take the book on meditation
I'll just take home what I brought My, big painted velvet Elvis
Well it's my big painted velvet Elvis Well you took my heart
And you took my soul
And you used me
I've had plenty of that
It gets harder and harder

And farther and farther
To what I need for me
Yea yea
Take it away
