Joy

Phil Wickham

You heard my cry for mercy, You heard my cry for help
And You turned Your ear to hear me, to save me from myself
When I think of all Youâ€™ve done,
Oh my heart is overcome with

Joy, joy, unending joy, always joy will remain
Joy, joy, I sing for joy, always forever I'll stay in Your joy

The chains have all been broken, the walls have all come down
And here I stand forgiven, in this grace that I have found
When I think of all Youâ€™ve done,
Oh my heart is overcome with

Joy, joy, unending joy, always joy will remain
Joy, joy, I sing for joy, always forever I'll stay in Your joy

My heart will sing, my heart will sing for joy
Forever Iâ€™ll sing, forever Iâ€™ll sing for joy
Forever Iâ€™ll sing, forever Iâ€™ll sing for joy

Joy, joy, unending joy, always joy will remain
Joy, joy, I sing for joy, always forever I'll stay in Your joy
Joy, joy, I sing for joy, always forever I'll stay in Your joy

Forever I'll stay in Your joy
