

# Love Goes Down (Doctor P Remix)

## Plan B

I remember when I was young and so were you  
All of the things we both said we would never do  
But look at how times have changed, baby. You know why  
I can never say no, baby. I can only show you how  
My love goes down, down, down, yeah baby  
Sweep your feet right off the ground, and yeah Mama  
I got that real love for you now, yeah baby  
Know I got that real love for you now  
I remember when I did you wrong, made you cry (I made you cry)  
Made you feel so sad, I knew I had to apologise (apologise)  
So I pulled you close, baby, and I laid you down on the bed  
Took off your clothes, baby. Girl, you know the rest  
My love goes down, down, down, yeah baby  
Sweep your feet right off the ground, yeah Mama  
I got that real love for you now, yeah baby  
Know I got that real love for you now  
Yeah yeah yeah yeah  
Baby can't you see? You're the only one for me, woah, oo  
Girl you know it's true, I'm the only one for you too, yeah yeah  
Love goes down, whoa girl  
My love goes down, down, down, yeah baby  
Sweep your feet right off the ground, and yeah Mama  
I got that real love for you now, yeah baby  
Know I got that real love for you now  
Yeah-eh-eh oo-oo whoa  
Whoa-oah-oah oo-oo yeah-eah  
Yeah-eh-eh oo-oo whoa  
Whoa-oah-oah oo-oo yeah
