

# Hey Little Cobra

## The Rip Chords

I took my Cobra down to the track  
Hitched to the back of my Cadillac  
Everyone was there just a waiting for me  
There were plenty of Stingrays and XKEs

Spring little Cobra get ready to strike  
Spring little Cobra now with all of your might  
Spring little Cobra get ready to strike  
Spring little Cobra now with all of your might  
Hey little Cobra don't you know you're gonna shut 'em down

When the flag went down you could hear rubber burn  
The Stingray had me going into the turn  
I hung a big shift and I got into high  
And when I flew by the Stingray I waved bye-bye

Spring little Cobra get ready to strike  
Spring little Cobra now with all of your might  
Spring little Cobra get ready to strike  
Spring little Cobra now with all of your might  
Hey little Cobra don't you know you're gonna shut 'em down
