

Reprise (The Sound of the End)

Bad Omens

[Intro]

I want to feel love,

I want to feel love again![Verse 1]

I guess you never really know yourself,

Because I've never been the kind to ask for help.

I'm begging for this, I'm begging for this,

Alleviation from all of the ugly shit.[Pre-Chorus]

Wake me up!

(Wake me up!)

Wake me up!

(Wake me up!)[Chorus]

There's a thousand voices in my head,

I just hope it doesn't take a rope around my neck,

To put them all to rest.

I want to feel love,

I want to feel love again.

There's a thousand voices in my head,

I just hope it doesn't take a rope around my neck,

To put them all to rest.

I want to feel love,

I want to feel love again. Yeah, c'mon![Verse 2]

I feel the filth,

Yeah, the dirt on my skin.

Everyone can see it

And they know where I've been.

God as my witness,

The Devil as my friend,

I swear that this is

The sound of the end.[Hook]

Now it follow by sin,

The sound of the,

End!

Now it follow by sin,

This is the sound of the...[Bridge]

Thousand voices in my head,

I just hope it doesn't take a rope around my neck,

To put them all to rest.

I want to feel love,

I want to feel love again.

There's a thousand voices in my head,
I just hope it doesn't take a rope around my neck,
To put them all to rest.
This is the sound of,
This is the sound of the end.[Chorus]
There's a thousand voices in my head,
I just hope it doesn't take a rope around my neck,
To put them all to rest.
I want to feel love,
I want to feel love again.
There's a thousand voices in my head,
I just hope it doesn't take a rope around my neck,
To put them all to rest.
I want to feel love,
I want to feel love again.[Outro]
This is the sound of the end,
I want to feel love again!
