

A Little Bit of Your Heart

[Ariana Grande](#)

I don't ever ask you where you've been
And I don't feel the need to
Know who you're with
I can't even think straight but I can tell
You were just with her
And I'll still be a fool, I'm a fool for you Just a little bit of your heart
Just a little bit of your heart
Just a little bit of your heart is all I want
Just a little bit of your heart
Just a little bit of your heart
Just a little bit is all I'm asking for I don't ever tell you how I really feel
'Cause I can't find the words to say what I mean
And nothing's ever easy
That's what they say
I know I'm not your only
But I'll still be a fool
'Cause I'm a fool for you Just a little bit of your heart
Just a little bit of your heart
Just a little bit of your heart is all I want
Just a little bit of your heart
Just a little bit of your heart
Just a little bit is all I'm asking for I know I'm not, you're only
But at least I'm one
I heard a little love is better than none Just a little bit of your heart
Just a little bit of your heart
Just a little bit of your heart is all I want
Just a little bit of your heart
Just a little bit of your heart
Just a little bit is all I'm asking for Just a little bit of your heart
Just a little bit of your heart
Just a little bit of your heart is all I want
Just a little bit of your heart
Just a little bit of your heart
Just a little bit is all I'm asking for
