Fucking Hostile

Explosivo

Almost every day I see the same face On broken picture tube It fits the attitude If you could see yourself You put you on a shelf Your verbal masturbate Promise to nauseate Today I'll play the part of non-parent Not make a hundred rules For you to know about yoursef Not lie and make you believe What's evil is making love and making friends and meeting God you're own way The right way

> [Chorus] To see To bleed Cannot be taught In turn You're making us Fucking hostile

We stand alone

The truth in right and wrong The boundaries of the law You seem to miss the point Arresting for a joint? You seem to wonder why Hundreds of people die You're writing tickets man My mom got jumped -- they ran! Now I'll play a public servant

> To serve and protect By the law and the state I'd bust the punks

That rape steal and murder And leave you be If you crossed me I'd shake your hand like a man Not a god

[Chorus]

Come meet your maker, boy Some things you can't enjoy Because of heaven/hell A fucking wives' tale They put it in your head Then put you in your bed He's watching say your prayers Cause God is everywhere Now I'll play a man learning priesthood Who's about to take the ultimate test in life I'd question things because I am human And call NO ONE my father who's no closer that a stranger

I won't listen

[Chorus]
