Left Alone

Squad Five-O

Yeah, when your heart dies
A little each day
And your mouth's open wide
But you can't find a word to sayWhen you close your eyes
And see a dream that'll never be satisfied
I'll be waiting around
With a bucketful of tears that you've criedAnd I don't wanna be left alone
Knocked down, tied up or on my own
And you don't wanna be left alone
Knocked down, tied up or on your own, yeahWhen the sun goes down
On your desires each night
And you're so hard up
But you can't find the will to fightWhen it's all so cruel
And your life disappears right before your eyes
Baby, take my hand
You know it's not a thing that I despiseAnd I don't wanna be left alone
Knocked down, tied up or on my own
And you don't wanna be left alone
Knocked down, tied up or on your ownAnd I don't wanna be left alone
Knocked down, tied up or on my own
And you don't wanna be left alone
Knocked down, tied up or on your ownAlright, tried to make a path, carve my own way
I opened my mouth and you turned away
Once when you placed your hand in mine
I caught a glimpse of all I'd left behind, yeahAnd I don't wanna be left alone
Knocked down, tied up or on my own
And you don't wanna be left alone
Knocked down, tied up or on your ownAnd I don't wanna be left alone
Knocked down, tied up or on my own
And you don't wanna be left alone
Knocked down, tied up or on your ownOhh, yeah, ooh, ohh, yeah, ooh, ohh, yeah, ooh, ohh, yeah
