

# Welcome To the Universe

## Thirty Seconds to Mars

And so the time has come, it's here  
The silence ends, the change is near  
You wait in the balance libertine  
Come into the Pantheon Welcome to the universe  
Welcome to the universe If there's a past into the clear  
We better take the pace  
Erase this face  
In constant search for everything You wait in the pallid slivered sky  
Come into the pantheon Welcome to the universe  
Welcome to the universe  
Welcome to the universe  
Welcome to the universe A new day has begun
