

# Sea Creatures

## Soak

The stars and moon  
Remind me of you  
I don't know what to say  
It might make you worseI don't understand  
What her problem is  
I think she's just a fish!I know you get it bad  
You don't deserve this  
And I won't put up  
With their ignoranceAnd they tell you  
They love you  
Well the don't mean itI don't think they know what they mean!  
I don't think they know what love is  
Throw it around like it's worthless  
Don't think they know what love isI don't get this town  
Neither do you  
We should run away  
Just me and you'Cause I don't get the people here  
They're curious  
They don't really careSea creatures  
Interfere  
Wish they would disappearThey don't know what love is  
Throw it around like it's worthless  
They don't know what love is!I pray for you  
And you know I don't like Jesus!Want you to get better  
Please, please get better  
For you  
For me
