

# Train From Kansas City

## Neko Case

Baby, baby, please believe me  
I would never, never  
Do anything to hurt you  
Baby, baby, please believe me  
I would never, never  
Do anything to you  
To make you blue  
Yesterday, I got this letter  
From the boy I loved  
Before I ever knew you  
Before I even knew you  
And the train from Kansas city  
Is coming into town  
The train from Kansas city is a-coming  
And there's nothing I can do  
Can make it turn around  
Baby, baby, please believe me  
Nothing in this world  
Would tear us apart  
We'll never, never part  
So, wait right here and I will hurry  
I'll be back in the time  
It takes to break a heart  
I gotta break his heart  
'Cause the train from Kansas city  
Is coming into town  
The train from Kansas city is a-coming  
And there's nothing I can do  
Can make it turn around  
No, I never answered his letter  
I just couldn't tell him that way  
No, I never answered his letter  
I just didn't know what to say  
Now, I'm going down to the station  
I'll be there at ten after two  
I'll show him the ring on my finger  
I don't what else I can do  
The train from Kansas city  
Is coming into town

The train from Kansas city is a-coming  
And there's nothing I can do  
Can make it turn around  
Here comes the train  
Here comes the train  
Here comes the train
