Train From Kansas City

Neko Case

Baby, baby, please believe me I would never, never Do anything to hurt you Baby, baby, please believe me I would never, never Do anything to you To make you blue Yesterday, I got this letter From the boy I loved Before I ever knew you Before I even knew you And the train from Kansas city Is coming into town The train from Kansas city is a-coming And there's nothing I can do Can make it turn around Baby, baby, please believe me Nothing in this world Would tear us apart We'll never, never part So, wait right here and I will hurry I'll be back in the time It takes to break a heart I gotta break his heart 'Cause the train from Kansas city Is coming into town The train from Kansas city is a-coming And there's nothing I can do Can make it turn around No, I never answered his letter I just couldn't tell him that way No, I never answered his letter I just didn't know what to say Now, I'm going down to the station I'll be there at ten after two I'll show him the ring on my finger I don't what else I can do The train from Kansas city Is coming into town

The train from Kansas city is a-coming
And there's nothing I can do
Can make it turn around
Here comes the train
Here comes the train
Here comes the train
