

Not the Time, Not the Place (Ult Version)

Marvin Sapp

This is not the time for giving up
This is not your place where you should be
Not the time or the place to lie in defeat
You got to hold on, you got to be strong
This is not the time to question your faith
This is not your place of destiny
It's not the time or the place to throw in the towel
You gotta hold on, you gotta be strong
Sometimes you win
Sometimes you lose
It's a part of life that everyone goes through
Sometimes there's joy
Sometimes there's pain
That's a part of God's plan
It is His own plan (this is not the time
Not the time, not the place
Just believe, keep the faith
Gotta learn how to wait (this is not the time
Not the time, not the place
Just believe, keep the faith
Gotta learn how to wait
This is not the time to question your faith
This is not your place of destiny
It's not the time or the place to throw in the towel
You gotta hold on, you gotta be strong
Sometimes you win
Sometimes you lose
It's a part of life that everyone goes through (this is not the time
Not the time, not the place
Just believe, keep the faith
Gotta learn how to wait (this is not the time
Not the time, not the place
Just believe, keep the faith
Gotta learn how to wait (there's still hope for the hopeless)
There is hope for the hopeless (there's still life for the lifeless)
There is life for the lifeless (God is a friend to the friendless)
He's a friend to the friendless (he'll give you peace and sweetness)
He'll give you peace and sweetness (there's help for the helpless)
There's help for the helpless (there is a home if you're homeless)
There is a home for the homeless (he will mend your broken pieces)
He can mend your broken pieces
Cause you to live and be blessed
(cause you to live and be blessed)
His is not the time, not the place
Not the time, not the place
Just believe in the faith

Just believe in the faith
Gotta learn how to wait
Gotta learn how to wait
Wait
Wait
Don't give up
This is not the time, not the place
Not the time, not the place
Just believe in the faith
Just believe in the faith
Gotta learn how to wait
Gotta learn how to wait
Wait
Wait
Don't give in
This is not the time, not the place
Not the time, not the place
Just believe in the faith
Just believe in the faith
Gotta learn how to wait
Gotta learn how to wait
Wait
Wait
There is hope
This is not the time, not the place
Not the time, not the place
Just believe in the faith
Just believe in the faith
Gotta learn how to wait
Gotta learn how to wait
Wait
Wait
Keep holdin' on
This is not the time, not the place
Not the time, not the place
Just believe in the faith
Just believe in the faith
Gotta learn how to wait
Gotta learn how to waitWait, don't give up
Wait, don't give in
Wait, there is hope
Wait, keep holdin' on
