

# Dog

## Moby

God, god  
Get down  
Can you make my love console myself  
Could've broken with no-one else  
I was so a fear, but I know that life was everything  
Love was a one-time thing  
But I only brought my hand to my knife when I sing  
Love, make it dog-style Come on baby  
Come on baby  
Come on baby Love myself with a broken-hearted love  
What I never saw what do I care?  
You don't want a sick celebration love  
Think about a broken time was soulless  
And oh and I was fear and I was on my knees  
You gonna tell me, would you break my love you're stealing my love Come on baby  
Come on baby  
Come on baby  
Love come on baby  
Come on baby Let me feel my gift to god grow  
And I love one time when your life goes suck  
And you did it with an open heart now  
I feel it, I am awake 'till my only time  
Wanna go down so you can wake up tired  
I was holding my  
And I was looking for something else, but I want love Come on baby  
Love come on baby  
Come on baby  
Come on baby Oh fuck it  
I see it forever  
When you waking, I'm going to break your love Come on  
Love come on baby  
Come on baby  
Love come on baby  
Come on baby  
Come on baby  
Come on baby  
Come on baby  
You'll know it feels good
