Love And War

[Tamar Braxton](#)

Somebody said everyday was gon' be sunny skies
Only Marvin Gaye and lingerie, I guess somebody lied
Started discussing it to fighting then don't touch me please
Then its let's stop the madness, just come lay with me
Truth be told, I'm waving my flag, before it goes bad'Cause we made it this far on for better or worse
I want to feel it even if it hurts
If I gotta cry, to get to the other side
Let's go cause we gon' survive, ohWe stay on the front lines, yeah but we're still here, after the bomb drops
We go so hard, we lose control
The fire starts, then we explode
When the smoke clears, we dry our tears
Only in love and warSometimes you're my general
You quarterback all these plays
Sometimes you're my enemy
And I'm throwing grenades
We'll just be chillin' and laughin'
I'm laying on your chest
Don't know what happen, 'cause things just went left
But here we go, back down that road
That's just the way that it goesCause we made it this far on for better or worse
I want to feel it even if it hurts
If I gotta cry, to get to the other side
As long as you're there I'll survive, ohWe stay on the front lines, yeah but we're still here after the bomb drops
We go so hard, we lose control
The fire starts, then we explode
When the smoke clears, we dry our tears
Only in love and warAs long as we make up after every fight, when it's over
You know I'm coming home
Right back where I belong
I'm takin' off this armor, ohhhAnd we stay, on the front lines, yeah but we're still here after the bomb drops
We go so hard, we lose control
The fire starts, then we explode, baby
When the smoke clears, we dry our tears
Only in love and war (3x)
