

# Kings

## Sammy Adams

(Verse)

My throne is my desk chair, phone's my assistant  
I don't need a servant 'cause Sammy runs the business  
I rise my castle, queen is my vixen  
T-shirt's my robes unless they non-existent  
Fans on my glow, check on my loafers  
Honesty's the code and honestly I roast ya  
Skateboard's my chariot, fans are proletarian  
Cuz tables of sorority, homies are hilarious  
Kingdom stages, royal means so famous  
Loyal to my fans so I only put out famous  
Jail is a dungeon, my work out's runnin  
And twerkin Is illegal but tonight I struck it(Hook)  
We don't care about your money and your flashy things  
Rather stay young, live like some kings

We are, we are

We are, we are

We don't care about your money and your flashy things  
Rather stay young, live life in Queens  
We are, we are

We are, we are(Verse)

Life is my fairytale, my boys are my army  
My chamber see scary tale, yours? Hardly  
Young kings, purple in the ales  
My game's like a witch just like a witch's cool spells  
New clothes on a emperor, birthday suit  
My worst day is the best day, my worst days too  
Consists of being rich, not rich like mad riches  
Rich like good fam, good friends and bad bitches(Hook)  
We don't care about your money and your flashy things  
Rather stay young, live like some kings

We are, we are

We are, we are

We don't care about your money and your flashy things  
Rather stay young, live life in Queens  
We are, we are

We are, we are(Bridge)

Hat is my crown, my queen's ass round  
In terms of executions I be killin it in town

They say these are clowns but we are the kings  
And we are the queens, that's a royal ass team  
And Lord is the boss, made it cross the board  
Untouched so listen pretty king we over month  
Worries or advice, Lord is it nice  
And never kick twice and live life like...(Hook)  
We don't care about your money and your flashy things  
Rather stay young, live like some kings  
We are, we are  
We are, we are  
We don't care about your money and your flashy things  
Rather stay young, live life in Queens  
We are, we are  
We are, we are
