

Down In A Cold Dirty Well

Justin Nozuka

Painted a picture of how it's supposed to turn out
Down in a cold dirty well and I cannot climb out
Can't see no light
Can't hear no bells
They walk right over me
Can't hear my yells They state me missing and search all over the town
Look left and then right but don't ever look down
Dig me my grave, I won't be saved
No I won't be saved, so dig me my grave [Chorus]
Helpless, Hopeless,
Cold and lonely
Only you can save me now
Trembling and shivering, scared
I want this all to end if only you could hear me now My mind is spinning around and around
I'm on my way down
The louder I yell
The deeper I sink
Closer to hell
Far from my instincts [Chorus] I'm on my way down,
And I will never feel that beat again
I will never see the light and I will never hear those bells ringing [Chorus] Dig me my grave, cause I won't be
saved
I won't be saved so dig me my grave
Down in a cold dirty well and I cannot climb out
