Snitch

Lil Wayne

Snitch, don't let your mouth open up
'Cuz you don't wanna see the handgun open up, no
Don't let your mouth open out
'Cuz you don't wanna see the automatic open out, noDon't let your mouth open up
'Cuz you don't wanna see the handgun open up, no
Don't let your mouth open out
'Cuz you don't wanna see the automatic open out, noAin't no snitches ridin' wit us
Ol' mo' the mouth niggaz could holla the front
Can't no loose slips get on my yacht
I leave player haters at the dock, watchAnd your nigga help ya burn the block
As soon as you get hot nigga turn to cop
Ya settin' up federal appointments now
Nigga all in court pointin' outDaddy not knowin' what he doin' his child
We gon mail him his finger when he get out, yea
Just to show him what we's about
Never let shit about G'z leave ya mouth, yeaYou inside can't leave ya house
Two donut lovers to police ya house
I sneak past those brothers leak in ya house
And put the heat dead in yo mouth, so shut upDon't let your mouth open up
