

# Snitch

## Lil Wayne

Snitch, don't let your mouth open up  
'Cuz you don't wanna see the handgun open up, no  
Don't let your mouth open out  
'Cuz you don't wanna see the automatic open out, noDon't let your mouth open up  
'Cuz you don't wanna see the handgun open up, no  
Don't let your mouth open out  
'Cuz you don't wanna see the automatic open out, noAin't no snitches ridin' wit us  
Ol' mo' the mouth niggaz could holla the front  
Can't no loose slips get on my yacht  
I leave player haters at the dock, watchAnd your nigga help ya burn the block  
As soon as you get hot nigga turn to cop  
Ya settin' up federal appointments now  
Nigga all in court pointin' outDaddy not knowin' what he doin' his child  
We gon mail him his finger when he get out, yea  
Just to show him what we's about  
Never let shit about G'z leave ya mouth, yeaYou inside can't leave ya house  
Two donut lovers to police ya house  
I sneak past those brothers leak in ya house  
And put the heat dead in yo mouth, so shut upDon't let your mouth open up  
'Cuz you don't wanna see the handgun open up, no  
Don't let your mouth open out  
'Cuz you don't wanna see the automatic open out, noDon't let your mouth open up  
'Cuz you don't wanna see the handgun open up, no  
Don't let your mouth open out  
'Cuz you don't wanna see the automatic open out, noWizzy nigga been 'bout me  
Stay low so you don't know shit 'bout me  
Make no mistake I'm a veteran at  
Me never rat mommy taught me better than thatGet a gat if you ain't got one already  
If you do then you ain't got enough get two  
And you could never get me nigga, get you  
And you ain't got to fuck me girl, fuck youI'm rollin' wit my goons  
And I would never roll on my nigga take that to my tune  
Ain't no girl came out of mom's wound  
Real nigga shit muthafucker I'm tuned, and I was taughtIf a man talk about another man while that man ain't  
present  
A man don't listen  
They throwin' brick but they hands is missin'  
Just watch what you sayin' sissyDon't let your mouth open up  
'Cuz you don't wanna see the handgun open up, no

Don't let your mouth open out  
'Cuz you don't wanna see the automatic open out, noDon't let your mouth open up  
'Cuz you don't wanna see the handgun open up, no  
Don't let your mouth open out  
'Cuz you don't wanna see the automatic open out, noAin't no telling who spillin' the earl  
You tellin' yo boy he tellin' his girl  
Now she tellin' the world  
It ain't no secret I'm hotter than ethaBut I don't neither cop shit neither  
Either close yo mouth or meet the heater  
We the dirty south where cocaine cheaper  
You go up north nigga's boost they fee upThis where the real hustlers meet up  
Look out anybody can be them people  
Yo own people could be them people  
No glasses can help you see them peopleThey around too many evil people  
Detectives wanna get even equal  
My desert eagle ain't even legal, but sshDon't let your mouth open up  
'Cuz you don't wanna see the handgun open up, no  
Don't let your mouth open out  
'Cuz you don't wanna see the automatic open out, noDon't let your mouth open up  
'Cuz you don't wanna see the handgun open up, no  
Don't let your mouth open out  
'Cuz you don't wanna see the automatic open out, noYea nigga watch the people around you watch the people  
away from you  
Leave them niggaz be let them stay from you  
These niggaz mouth's is runnin' like hot water, I swear to God  
Real niggaz takin' falls like NiagaraTryna stay up like Viagra, but it ain't gonna happen  
These niggaz is best buddies wit the 5-0 team  
They know the DA by name  
It ain't a game, it used to be oneIt's like these niggaz got them  
Big ducks in they mouth that the gynecologist  
Use when yo bitch get a pap smear  
That's pussy anyway, weezy
