

# Creep in the Cellar

## Butthole Surfers

Oh there's a creep in the cellar that I'm gonna let in  
There's a hole in his brain where his mind should've been  
When he starts talkin' backwards your head starts to spin  
And he really freaks me out when he peels off his skin, yow!  
Oh there's a creep in the cellar with his hands in  
the air  
And he lies to his mother but she doesn't care  
When the fists are flying backwards and the ballroom is bare  
Cause the turkey's talkin' backwards, it'll raise up your hair  
Oh there's a creep in the cellar that I'm gonna let...in
