Time

Basia Bulat

Too far away to be sure of
These little words I'm sending outEven though I want to, should I be cruel?
Safer than your kindness, the way I found you
I don't fall out of lineBut I can hold on to some time
I can hold on to some time for you
Call me when you got the timeTrying to forget and you revive
Every part of me I buried alive
Calling out to me when I'm sleeping
No longer can you find me when I need it
I don't wait in line
But I can hold on to some time
I can hold on to some time for you
Call me when you got the, like when you need to
Call me when you got the timeIf I can hold on to some time
Borrow it, I'm stolen
Watch where I'm going
Walk me out of every line
And am I a fool to think this is different
Prove me rightWell, prove me right
When I'm innocent and I never lied
Tell me in your way
Am I running out?
Oh, I'm in no pain
Am I fading out of sight?
Oh, do you want my
Oh, do you want my, tell me do you want my
Oh, tell me do you want myI do, try me till you have my time
