

Come a Little Bit Closer

[Haley Dreis](#)

Hey, come a little bit closer
and let me say goodnight
Hold my hand just a little bit longer
Before we kiss goodnight

I get butterflies
When I gaze into your eyes
Delicate and Warm
You are what I've waited for

Pre-Chorus:
When we're underneath the stars
We will never be apart

[Chorus]

Every drop of rain
Gives me something else to say
Your voice, a work of art
Forms a rainbow in my heart

[Pre-Chorus]

[Chorus]

Bridge:
And the pulsing of my heart
Makes it so hard to part
When I'm alone with you, you say...

[Chorus]

...And then we'll kiss goodnight
