

Love Me Right

[Ace Frehley](#)

No more frustration, let's relax
Baby, I want every pleasure to the max
Surrender all your kisses and don't hold back You gotta love me right
I need some loving tonight
Just love me right
Satisfy my appetite
Don't bite Touch me like you touch your little teddy bear
Give me satisfaction till I just don't care Love me right
I need some loving tonight
Just love me right
And satisfy my appetite
Don't bite Surrender
Surrender
Surrender
Surrender to me Love me right
I need some loving tonight
So just love me right
You got to satisfy my appetite
Girl, please don't bite You excite me, you excite me
I wanna give you all I've got
Girl, I wanna, I wanna, I wanna give you all I've got
Girl, please don't bite, please don't bite
Girl, please don't bite, please don't bite
