

Hexagons IV (The Still)

Esben and the Witch

Contours refract
Patchwork casketEnclose, pinfold
Crystal fortressRun fast my friend
For fingers find
Their way inside
Shaken minds
The cold, it grows
As the light declines
Come here, I'll cover you
Just close your eyesContours refract
Patchwork casketEnclose, pinfold
Crystal fortressRun fast my friend,
for fingers find
their way inside
shaken minds.
The cold, it grows
As the light declines
Come here, I'll cover you
Just close your eyesClose your eyes
(Violet cries)
