Stand face to face with the younger me

All of the mistakes

All of the heartbreaks

Here's what I'd do differentlyI'd Love like I'm not scared

Give when it's not fair

Live life for another

Take time for a brother

Fight for the weak ones

Speak out for freedom

Find faith in the battle

Stand tall but above it all

Fix my eyes on You

On YouI learned the lines and talked the talk(everybody knows that,everybody knows that)

'cuz the road less traveled was hard to walk(everybody knows that,everybody knows)

It takes a soldier

who knows his orders

To walk the walk I'm supposed to walkLove like I'm not scared

Give when it's not fair

Live life for another

Take time for a brother

Fight for the weak ones

Speak out for freedom

Find faith in the battle

Stand tall but above it all

Fix my eyes on You

On YouThe things of Earth are dimming

In the light of Your glory and grace

I'll set my sights upon Heaven

I'm fixing my eyes on youLove like I'm not scared

Give when it's not fair

Live life for another

Take time for a brother

Fight for the weak ones

Speak out for freedom

Find faith in the battle  
Stand tall but above it all  
Fix my eyes on You  
On You Fix my eyes  
On you
