

# Pretty Little Distance

## As It Is

I want to cross stitch shut my eyes  
Wage a war on the world outside  
Brace the barricade in my mind, but that's alright  
I stretch the truths 'til they lose shape  
As support beams bend and break  
Watch reality's slow cascade, but that's alright  
And I've been thinking...  
Ain't life swell from a pretty little distance?  
I don't want to leave, I don't want to stay  
Why look twice at a beautiful existence?  
I watch the sun dry out the grass  
Hear the silence shatter glass  
Feel perfection swerve and crash, but that's alright  
Close my eyes, hope it all ends well this time
