

Easier

Grizzly Bear

I know, I know
The doors won't close
The pipes all froze
Just let it go I know, I know
(Argue with me)
The doors won't close
(I've got plenty) The pipes are froze
(Of dishes and time)
Just let it go
(Cords in a bind) I know, I know
(Knots that we make)
The doors won't close
(Fatal mistakes) The pipes are froze
(Let's recreate)
Just let it go
(An easier time) I still can't find you
'Cause I still can't find you
