## **Easier**

## **Grizzly Bear**

I know, I know The doors won't close The pipes all froze Just let it goI know, I know (Argue with me) The doors won't close (I've got plenty)The pipes are froze (Of dishes and time) Just let it go (Cords in a bind)I know, I know (Knots that we make) The doors won't close (Fatal mistakes)The pipes are froze (Let's recreate) Just let it go (An easier time)I still can't find you 'Cause I still can't find you
